Amber Gibson

Vice President

Amber is a Vice President of Stream's office tenant representation division in the greater Dallas market. She focuses on developing partnerships with corporate users to align their workplaces and business goals. Amber is experienced with headquarters and multilocation offices, handling acquisitions, dispositions, and lease negotiations.

Prior to joining Stream, Amber spent three years at a Dallas-based tenant representation firm. Before her career in real estate, she spent six years in sales with a global electrical design and manufacturing company and a national products distributor.

Amber has represented local and national clients including Neiman Marcus and NTT Data. She has completed over 1.9 million square feet of assignments.

Education & Designations

University of Memphis, Bachelor of Health Administration
