Anthony Chang

Managing Director

Anthony Chang is the Managing Director for Stream's Northern Virginia Office. Anthony will lead strategic direction and operations, with primary responsibilities to include expanding Stream's leasing, property management, acquisition, and development services while building Stream's brand presence in Northern Virginia.

Prior to Stream, Anthony was a Vice President at WashREIT where, among his accomplishments he co-founded its flexible office program Space+. Prior to WashREIT, he was a leasing broker with Cassidy Turley where he added more than 2.5 million square feet in agency listings in less than three years. Throughout his career, Chang has executed or advised on over \$800 million in lease transactions. He serves on the boards of NAIOP Northern Virginia, Northern Virginia Chamber of Commerce and the Fairfax County Economic Advisory Committee. In addition, Chang is a trustee of ULI and serves as the Chair for Mission Advancement for ULI Washington.
