Brandon Delin

Associate

Brandon Delin joined Stream in 2022 and serves as an Associate for Stream Realty Partners Industrial leasing division in Dallas. Brandon's responsibilities include market research, tenant representation, and assisting with market surveys, competitive sets, and prospect reports.

Before joining Stream in 2022, Brandon worked for Sunbelt Material Handling, a forklift and warehouse equipment distributor. Brandon brings sales, and after-market client service experience to the team. His knowledge and expertise of warehouse product storage and related equipment are a great value-add to the team.

Education & Designations

Bachelor of Science, Industrial Distribution with a Minor in Business Administration – Texas A&M University, Dwight Look College of Engineering
