Dakota Duchaine

Training Specialist, Business Applications

Dakota Duchaine joined Stream Realty Partners in 2021 and currently serves as the Training Specialist for Business Applications. She focuses on facilitating learning and development programs for transaction professionals to support company-wide initiatives, strategies, and projects. With over two years of commercial real estate experience and a background in education and management, Dakota has a proven track record in her field.

Before her role in the Dallas office, she served as the Office Operations Manager for the Carolinas Regional Office, where she was responsible for all local market operations, such as recruitment, onboarding, client engagement, and office procedures.

Dakota holds a Master's in Educational Leadership from Queens University and has previous experience as an educator and administrator in public schools.
