Elizabeth Doll

Director of Asset Services

Elizabeth (Liz) Doll serves as Director of Asset Services for Stream Realty Partners' San Diego office, where she focuses her efforts on business development and operations of office, industrial and retail properties. Liz has over 13 years of experience in commercial real estate with a background in property management and asset management.

Prior to joining Stream, Liz managed a 1 million square foot portfolio of office product in San Diego and Orange County. During that time, she focused on repositioning the company's assets to drive value. The most notable recent project was the repositioning of the Aventine in La Jolla. This \$7 million dollar renovation included a full lobby remodel, creation of marketing center, several spec suites, garage lighting upgrades and wayfinding, new elevator cab interiors, exterior landscaping, and the addition of tenant amenity café.

Before relocating to San Diego, Liz previously worked in San Francisco for CBRE and CAC Real Estate Management Company managing Class A office product for several large national clients.
