Eric Herron

Managing Director of Development and Construction

Eric Herron joined Stream Realty Partners in 2014 and is the Managing Director of Development and Construction for Stream Austin.

Prior to joining Stream Realty, he spent twelve years with Sixthriver Architects as Director of Architecture and for six years prior as a Project Architect and Project Manager with two other architectural firms in Austin.

During his career, Eric has designed and overseen the design and construction, from land acquisition through occupancy, of over 15 million SF of space including ground-up construction and remodels of Class A office, industrial, retail, multi-family, and student housing with work valued at over \$750M.
