Frank Cassata

Vice President of Construction

Frank Cassata joined Stream Realty Partners in October of 2021 serving as Vice President of Construction Manager in the Chicagoland market. He brings 10+ years of industry experience and is responsible for maintaining the assets for client portfolios as well as tenant improvement projects.

Prior to joining Stream, Frank managed construction for Chicagoland asset management with CenterPoint Properties including capital expenditures, and tenant improvements. Frank was also a Project Manager for Chicagoland General Contractor prior to becoming a representative for ownership entities.
