## George Karam

Vice President, Project Accounting

George Karam began his tenure at Stream Realty in June 2016 as a Managing Senior and is currently a Vice President in Project Accounting. While employed at Stream, George has managed the accounting functions for primarily industrial and office properties, and has experience working with retail as well. George has served as the client manager for Stream's largest industrial client, DRA, and several other notable clients such as JPMorgan, Lone Rock, and KFK Group. In addition to servicing clients, George played a key role supporting Stream convert their financial systems and has been designated as one of the subject matter experts in the department. George now oversees multiple teams of professional accountants who are dedicated in providing superior quality of reporting and a high level of client satisfaction.

Before his time at Stream, George was a Senior Accountant at Hudson Advisors for two years and a Tax Accountant at Grant Thornton for a year and a half.
