Hank Brumley

Managing Director – Development & Construction

Hank Brumley brings over thirty years of commercial real estate experience to the Denver office as the Managing Director of Development & Construction.

During his career Hank has completed in excess of \$1.5 billion of acquisition, construction and development transactions, with an emphasis on office, industrial, retail and land entitlement projects throughout Colorado.

Prior to joining Stream, Hank lead the acquisition and development efforts for several notable firms including Alliance Commercial Partners and The Broe Group in markets like Chicago, Atlanta, San Francisco, Phoenix and Denver among others.
