Harry Adams

Vice President

Harry joined Stream in 2019 and serves as a Vice President for the San Antonio Market. His primary responsibilities include landlord and tenant representation, site selection, land disposition, and site development for third-party clients. Harry has represented numerous various owners and users in the market, including QuikTrip/Medwise, HTeaO, Santikos, Security Service, McCombs Family Properties, Stream Data Centers, Ace Hardware, Steele Group (Harbor Freight Developer), Liscotti Development (Chick-fil-a Developer), Landmark Communities, and Lockaway Self-Storage.

Prior to Stream, Harry worked for Cadence Bank as a Portfolio Analyst for the San Antonio market. His responsibilities included sourcing, analyzing, and underwriting senior debt focusing on private equity-sponsored mergers and acquisitions within the middle market.

Education & Designations

Bachelor of Business Administration in Economics, University of Texas at San Antonio
