Kimberly Loflin

Vice President of Property Management

Kimberly Loflin joined Stream in 2014 and currently serves as a Vice President for the firm's growing Stream Carolinas portfolio. Her primary responsibilities include day-to-day operations management and tenant relations of over 1MM square feet.

With over 25 years of property management experience, Kimberly strives to add value for her owner's assets while providing tenants with a quality work environment.

Before working with Stream, she served nine years as a Property Manager managing Mainstreet Real Estate and DRA's Charlotte portfolio.
