Mark Lukas

Senior Graphic Designer, National Marketing

Mark Lukas joined Stream as a Senior Graphic Designer on Stream's National Marketing Team. In this role, Mark is tasked with a variety of projects ranging from digital asset design to print collateral, marketing collateral development, new business pursuit materials, website and social graphic and a variety of strategic visual materials.

Mark brings with him more than 20 years of experience in the design industry, including a decade teaching design at various colleges throughout Southern California and development of branding and marketing materials at Visit Anaheim. Mark is a graduate of Cal State Fullerton, where he earned a bachelor's degree in Fine/Studio Arts.
