Samantha Smith

Vice President

Samantha Smith is an experienced Real Estate professional with over 22 years' experience in the commercial real estate industry. Samantha currently serves as a Vice President with a focus on the fiscal analysis and operational success of the various product types in the Stream Atlanta Property Management portfolio.

Prior to joining Stream, Samantha was a Senior Regional Property Manager for RCG Ventures, managing over 3.0 million square feet of anchor-based retail centers, strip centers, open and enclosed shopping malls and stand-alone retail across the Northern Part of the United States, as well as South Georgia and Florida. Samantha has also worked for The Meddin Company, as a Property Manager and Property Accountant, and specialized in the management of boutique retail centers and mixed-use development throughout Metro Atlanta. Samantha began her career at Colliers International, as a brokerage assistant, office manager and marketing director.
