Scott Haney

Senior Vice President, IT Operations and Security

Scott Haney is the Senior Vice President of IT Operations and Security. With over 24 years of experience in IT, Scott is uniquely positioned to provide efficient cutting-edge technologies aimed at meeting business needs. Scott's goal is to for IT become a key business driver and unlock hidden value within corporate assets.

Throughout his career, Scott has performed multiple migrations from M&A, he has designed and implemented multiple networks. Lead the cyber security initiatives at various companies, bringing them into compliance with industry standards. Implemented multi-million-dollar cost savings initiatives through infrastructure migrations to cloud-based providers and instituted DevOps and automation as a primary focus to streamline IT efficiency.

Prior to joining Stream, Scott was the VP of Infrastructure at Howard Hughes where he supported IT initiatives that include AD domain migration, Network design and implementation for Pier 17 NY, Las Vegas Aviators, Migration to AWS, Migration to O365, and many other successful projects.
