Victoria Knudson

Leader, Industrial Property Management & Partner

Victoria Knudson has been an industry leader with Stream Realty Partners for over five years. She is the Leader of Industrial Property Management & Partner with the firm based in Chicago. She brings 34 years of real estate experience and focuses on strengthening and overseeing the company's property management operations with a significant concentration on expanding the platform across the US while supporting Stream Realty Partners full array of integrated services. In addition, she is a leader of the Chicago Office with direct responsibility for the Property Management, Engineering, and Construction Management platform locally.

Prior to joining Stream Realty Partners, Victoria served as Senior Managing Director - National Property Management Leader for Cushman & Wakefield where she was an accomplished Senior Executive responsible for the development and growth of the United States Industrial Platform totaling 280 million square feet. Prior to that, Victoria served as Vice President of Operations for AMB Property Corporation and also worked as an executive for Trammell Crow from 1987 through 2004.
