Wade Harris

Senior Construction Manager

Wade Harris joined Stream San Antonio in 2019 and is currently a Senior Construction Manager. With more than 28 years of professional experience as a registered interior designer and project manager, his responsibilities include preconstruction design coordination, project budgeting, facility procurement, project bidding, construction management, and project close-out for Stream's projects in the San Antonio market. Wade's experience spans corporate offices, healthcare, industrial, and retail projects.

Before joining Stream, Wade worked for over 24 years with firms such as LK Design Group, Inc. The Marks Design Group, Graeber, Simmons & Cowan/The Bommarito Group, and Overland Partners. During this time, he managed various corporate and medical tenant finish-outs, new office facility construction, and office remodeling projects. His career reflects his dedication to effective project management and design across multiple sectors.

Wade is a native of San Antonio, Texas, and graduated from the University of Texas at San Antonio in 1996, where he majored in Architecture and Interior Design and received a Bachelor of Science in Interior Design.
